## REALTOR®

*"It is a blessing and my privilege to help you achieve your real estate dreams"*

### Background and Education

Born and raised in Brooklyn, New York, I am a product of our nation's public education system. After graduating from New York City's Stuyvesant High School, I earned my B.S. degree in Electrical Engineering and Computer Science from U.C. Berkeley. Several years later, I left my computer engineering job in Silicon Valley to achieve my M.B.A. from U.N.C. Chapel Hill.

### Residences

I am well travelled within the United States and abroad, having resided in: Bay Area, CA; Los Angeles, CA; Phoenix, AZ; Chapel Hill, NC; New York, NY; and, of course, Las Vegas, NV. I've visited many other nations throughout the continents of Europe, Central America, Asia, and North America.

### Recreation

I find immense joy in life's simple things, such as hiking, trying new eateries, watching movies, and travelling. In my spare time, I volunteer with the Sierra Club of Southern Nevada. I'm a rare breed of urbanite who loves nature.
